Norton Park Hotel & Spa ~ Winchester

Set amid 54 acres of grounds, this contemporary four-star hotel with rooms tucked inside a manor house and a 17th-century barn is 10 miles from the centre of Winchester and 11 miles from Andover.

This lovely hotel nestles in its own peaceful grounds that are a delight for an evening stroll or a refreshing drink in the sun.

Once inside, melt your stresses away in the sumptuous spa. Choose from eight treatment rooms for tension-soothing massages, facials and manicures. In between therapies, lie back in heated loungers, swim a few lengths of the pool or sweat it out in the steam room. Gentlemen, best keep an eye on the credit cards!

President's Message

It gives me great pleasure to welcome you all to the 2022 EVPA Tour when we will be staying at the Norton Park Hotel and Spa set peacefully in 54 acres of beautiful private grounds.

This hotel offers the added benefits of a spa offering 8 treatment rooms and a sumptuous swimming pool fully equipped with heated loungers.

Paul Costin has arranged 5 games for us all this year. Addresses and telephone numbers for all venues are in this handbook and route directions will be provided and circulated for each game if needed the evening before.

This year the rest day will be on the Thursday allowing us all to independently visit local places of interest.

My sincere thanks go to Tony Ellis for all his hard work in organising the tour, to Paul for arranging the matches and to Ken Perry for producing this handbook.

Audrey and I look forward to enjoying this tour with you in this our 75th anniversary year as well as your company and friendship. Looking forward to meeting you all in July.

David

Important Information

Tour members will need to travel by their own transport to the first game at Bannister Park BC in time for a 12.30 pm buffet lunch and a welcome from our President. Throughout the tour, car-sharing is encouraged as parking and locating the clubs has in the past sometimes proven difficult.

Check-in at Norton Park Hotel will take place immediately following the conclusion of the opening game. Please rest assured there is plentiful parking at the hotel and staff will be on hand to assist with check-in and to transfer your luggage to your room if so required.

Dinner will be at 7.30 pm each evening. A table seating plan will be displayed outside the dining room. Dress code Sunday to Thursday evening will be smart casual with jacket and tie optional. On Friday evening, however, dress code will be mandatory comprising grey trousers, white shirt with Association blazer and tie. We will meet slightly earlier on this, our final evening together, so that photographs may be taken of the touring party. Tony Ellis will advise the time & location to meet following our evening meal on Thursday.

Match dress code will be whites with Association blazer and tie. 1 or 2 games may however be played in greys (**so be sure to bring greys with you**) - you will be advised accordingly the evening before. You may find it more convenient to dress for games at the hotel as changing facilities at some clubs may be rather restricted.

Any member unable to play in a match for which he has been selected should advise the Tour Secretary no later than the day prior to the match. Every effort will be made for members to play in their preferred position wherever possible. **And please remember to bring 3 bowls with you in case we play triples at any game.**

Places of Interest to Visit

Winchester Cathedral

The cathedral as it stands today was built between 1079 and 1532. It is the longest medieval cathedral in the world and the history of the cathedral is unsurpassed and well worth a visit. Organised tours by the cathedral are available to pre-book.

National Motor Museum

In the heart of the New Forest, Beaulieu houses the National Motor Museum, home to over 250 vehicles telling the history of motoring. You can also visit Palace House and Gardens, home of the Montagu family since 1538. A full day activity.

Stonehenge

Uncover the story of Stonehenge. Take in the atmosphere of this World Heritage Site and best known prehistoric monument in Europe. Visit the world-class exhibition to discover how the Stonehenge builders worked.

There are many other interesting places to visit in and around Hampshire to satisfy the interests of everyone. The above are simply an example of what is on offer. We suggest that you Google “places of interest in Hampshire” to find your ideal excursion. Alternatively, the hotel is bound to have literature that may be of interest to you. Alternatively, a good look around the city of Winchester using public transport may appeal.
